USED PRINTER CARTRIDGES

Southwold Township Optimists care about our community and our environment, so let us help by recycling your old printer cartridges.

Every reusable cartridge returned to us brings in a \$1.00 credit to our club. What a great incentive to help out our environment and your club. Not for members only, anyone can join us!

For more project information or to register and be a part of this program email:
houston@execulink.com or call 519-637-0244

Or visit Coastal Recycling Group online: <http://www.coastalrecyclinggroup.com/index.asp> and register online with organization credits allocated to:

OPTIMIST INTERNATIONAL FOUNDATION (as your charity)

Southwold Township Optimist Club #45177 (as your business/club credit information)

Then carry on with your name and information for contact, free pick up & supply drop off.

Costs!
